Problem - Solution Fit:

The AI-FITTRACK solves the problem of slow and inefficient customer support by providing an intelligent AI-FITTRACK management and AI-powered answer generation system.

Purpose

- Solve customer problems by providing quick and accurate answers through an AI-powered AI-FITTRACK system.
- Reduce the time spent by support teams answering repeated customer questions.
- Improve customer satisfaction through secure login, AI-FITTRACK management, and AI-generated responses.
- Enable users to search AI-FITTRACKs and find relevant information using semantic search.
- Help administrators, update, and manage AI-FITTRACKs efficiently.
